**Bible Reading Plan to
Discover Our
Identity in Christ**

Find a place, sit down, open your bible, and begin to pray. That's where you start. This study on our identity will use the soap method to help you study the bible.

What is S.O.A.P.?

S.O.A.P. stands for Scripture, Observation, Application and Prayer. It is a way of getting more out of your time in God's word. We did not invent it.

How does it work?

It's quite simple. When you sit for your daily quiet time read the bible as you normally would with one simple difference. Underline or make note of any verses that jump out at you with special significance. This is the basis for diving deeper and using S.O.A.P.

There are four sections to fill in and I bet you can guess what they are:

- ★ **Scripture** Write out the verse or verses that stuck out to you in your reading. This will help you cement what you are learning in your mind. Ask the Lord to bring a verse to your attention.
- ★ **Observation** What did you observe about the scripture that struck you. This can be one sentence or a whole book. If you have to, read the scripture again. Ask the Lord to bring to you what He wants for you to know through this scripture.
- ★ **Application** How can you apply the observation so that it affects your life today. If you have to read the scripture again. Ask the Lord to help apply this to your life and write the answer down.
- ★ **Prayer** Write out a prayer to God based on what you just learned and ask him to help you apply this truth in your life.

Thats all there is to it! If you need more space, don't be afraid to get a notebook to add on to what the Lord is teaching you!

Bible Reading Plan to Discover Our Identity in Christ

“When you try to fight for something that you receive from inheritance, you get exhausted. Sometimes you only receive when you sit down, be quiet and learn how to be a son or daughter. There are parts of the faith where we get breakthrough simply by understanding our identity. There are times when the Father is simply wanting you to learn to receive as a child of God.” Bill Johnson
